| 1 | 1950 | Geneva Presentation Skills |  | Geneva Presentation Skills offers a 6-week in-house training where we meet once a week from 18:30-21:00 at our premises. During the training, participants will learn the basics of our CPVM method and practice in front of a small group. The aim of the training is to help each participant develop a professional yet personal style when presenting in public as well as to communicate effectively key messages. For more information please visit http://www.genevapresentationsskills.com | 56858 WON |
